about the **RETREAT**

Men today are facing enormous challenges in a world that is constantly on the move and changing. Men feel pressured and even unsure what to do next. Many men are asking the big questions:-

“Who am I?”- “Where am I going?” “Is this all there is to life?”

This retreat is about finding Hope and a way forward. It's a time to reflect on your journey into Christian manhood and not only identify where you are now, but also prepare yourself for the future.

This weekend will be transformational and is a must for your 2010 diary.

"I am so glad I made the time to come to this retreat - I'm back on track after spending years in the wilderness - thanks guys for helping me" *Bill Orr*
